

To Whom It May Concern,

It is with great pleasure that I write this letter to recommend Mr. Davoud Nikkhoy for admission to the PhD program at Northeastern University. I had the honor of working with Davoud for five years during my tenure as CEO at AFS-Agri (Aseman Faraz Sharif), where he served as an R&D Engineer. Throughout this time, Davoud consistently demonstrated exceptional technical skills, innovative thinking, and a strong work ethic that set him apart.

Davoud made significant contributions to our team by leading the development of advanced agricultural drones and remote-controlled aircraft models. His in-depth knowledge of aerodynamics, embedded systems, and control technologies was pivotal to the success of these projects. He excelled in developing and fine-tuning firmware, ensuring flawless integration between software and hardware components. This dedication resulted in highly efficient and reliable designs that catered to the specific needs of our organization and clients.

One of Davoud's standout qualities is his ability to address complex challenges with innovative solutions. He successfully implemented real-time operating systems and customized firmware to enhance the performance of our drones. His expertise in system-level problem-solving enabled him to reengineer critical processes, ensuring compatibility and robustness in our designs.

Davoud is proficient in a wide range of advanced tools and technologies, including STM32, ESP32, FreeRTOS, MATLAB, and SolidWorks, which he skillfully utilized to advance our research and development efforts. He is equally adept in programming languages such as C/C++, Python, and MATLAB, often leveraging these skills to develop scalable and optimized solutions. His interest in automation and robotics highlights his forward-thinking approach and adaptability to evolving industry demands.

Davoud's remarkable technical expertise, passion for learning, and commitment to excellence make him an outstanding candidate for your PhD program. I am confident that he will excel in your academic environment and bring significant value to your institution.

Please feel free to contact me if you would like to discuss Davoud's qualifications in more detail.

Sincerely,

Amirarya Ramzgooyan

CEO at AFS-Agri (Aseman Faraz Sharif)
